AUSTEN

The Austen Pendant offers a moment of architectural elegance in a refined scale, blending clean lines with luxurious materials. It is meticulously crafted from luminous white jade, framed by a precise geometric outline. 4CCT LEDs deliver fully customizable light, allowing for focused task illumination or a soft, atmospheric glow.

*See complementary pieces on pages 10 and 58

BALLARINA

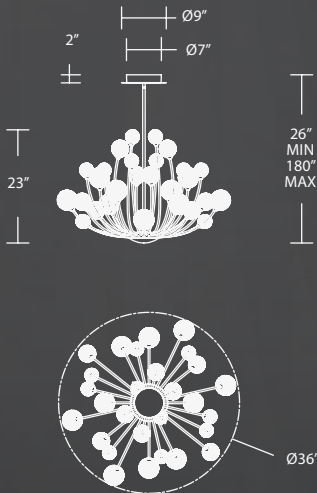

Playful Elegance. The Ballarina Pendant pairs sculptural form with artistic detail. A cascade of champagne and smoked colored glass globes creates a dynamic, luminous display. 4CCT selectable light adapts to any setting, offering varied illumination from warm, ambient glow to bright, expressive radiance.

PATENT PENDING

- Mouth-blown champagne and smoky art glass
- Driver concealed within the canopy
- Three 12" and one 6" downrods included (additional sold separately)
- Spin on round canopy with minimal hardware

BRIMM

NEW

Fluid form meets fearless design. The Brimm Pendant is a study in movement, as its hand-applied gold leaf finish and cloudy orb diffuser captures light in a soft, ambient embrace. Sculptural and unexpected, Brimm pushes beyond the predictable with a profile that feels both organic and futuristic: an expressive focal point that transforms the atmosphere of a room.

- Undulating frame with artisan crafted hazy cloud acrylic
- Each unique piece lends itself to variations in milkiness
- Driver concealed within the canopy
- Hand leafed finish
- Spin on round canopy with minimal hardware
- Thin, powered aircraft cables provide an ultra-clean look for adjustable suspension height

CINAPLEX

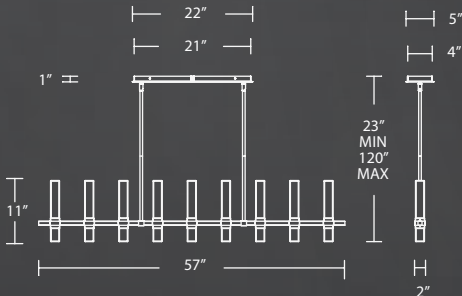

Artful Brilliance. The Cinaplex Linear Pendant transforms architectural lighting into an artful composition of light and form. Nine individually blown glass elements can be aligned in symmetry or staggered for dramatic effect, creating a balance of rhythm and refinement. This statement fixture delivers both upward and downward illumination for a sophisticated, dimensional glow.

*See complementary pieces on pages 62 and 86

- Artisanal mouth-blown textured glass shade
- Driver concealed within the canopy
- Customizable configuration with interchangeable glass
- Six 12" and two 6" downrods included (additional sold separately)

DELANEY

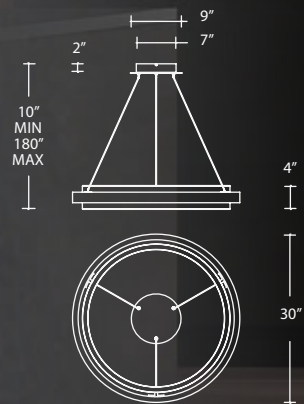

Crafted from rich wood whose grain adds texture and character, the organic modern Delaney Pendant features a beautifully rounded frame that encircles a sleek LED diffuser, offering soft, even 3000K illumination.

- Delivers both uplight and downlight
- Natural wood grain and color variation with each unique piece
- Driver concealed within the canopy
- Spin on round canopy with minimal hardware
- Thin, powered aircraft cables provide an ultra-clean look for adjustable suspension height

GLAMIS

NEW

Glamis has a show-stopping presence that is as architectural as it is refined. A striking radial design extends outward in perfect symmetry, supporting luminous spheres of carved alabaster that diffuse LED light with a soft, natural glow. The result is a transitional chandelier that feels both powerful and poetic: a sculptural centerpiece that defines the space around it.

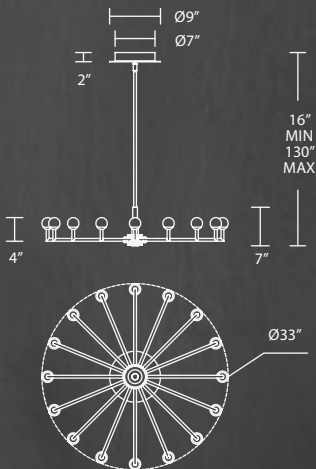

- CALIFORNIA

JA8

KARIE

Karie is a study in contrasts: where hand-cast glass meets crisp, structural geometry. Its bold square canopy anchors a sleek vertical frame, while the sculpted diffuser glows with warm, atmospheric LED light. The result is a pendant that balances artisan craftsmanship with modern minimalism.

- Artisanal cast glass
- Square shaped canopy
- Driver concealed within the canopy
- Three 12" and one 6" downrods included (additional sold separately)
- Slope ceiling adaptable. Hang straight swivel.

LORELEI

NEW

The Lorelei Pendant transforms classic chandelier design into a bold work of contemporary art. A circular, ribbed edge frame holds illuminated white jade orbs, while the chain drop suspension adds a subtle touch of drama and sophistication. Lorelei’s sculptural form and handcrafted details elevate interiors with a sense of effortless luxury.

- Natural white jade stone features unique veining and color variation
- Decorative knurled accent
- Driver concealed within the canopy
- 40” chain included (additional sold separately)
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K

LYRIS

NEW

Lyris is a study in precision and performance, an origami-inspired sculptural fixture that merges architectural geometry with advanced illumination. Crafted with seamless acrylic diffusers and a sleek linear profile, this pendant blends bold geometric form with advanced, 4CCT LED lighting performance that lets you customize the ambiance from warm and inviting to bright and energizing.

- Acrylic diffuser
- Driver concealed within the canopy
- Six 12" and two 6" downrods included (additional sold separately)
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K

SATURNO

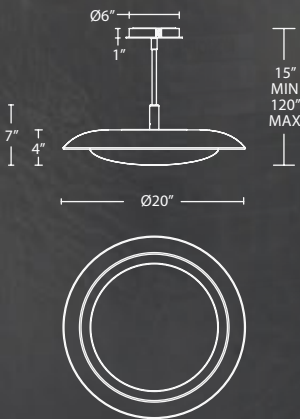

The Saturno Pendant brings cosmic inspiration down to earth. Named for the planet whose rings inspire its silhouette, this elegant fixture fuses the natural beauty of basalt and travertine with the soft luminosity of opal glass. Its refined circular form radiates quiet confidence, diffusing a warm, even glow that elevates the ambiance of any space.

*See complementary piece on page 112

- Natural stone has slight variations in color and texture in each crafted piece

SEAHORSE

Modern Motion. Equal parts organic and architectural, Seahorse transforms illumination into art: a bold expression of movement, light, and form. Capturing the beauty of fluid motion, its graceful, curved silhouette appears to cascade from the ceiling. 4CCT selectable LED light technology offers complete control over mood and atmosphere.

- Silicone diffuser

SKYLA

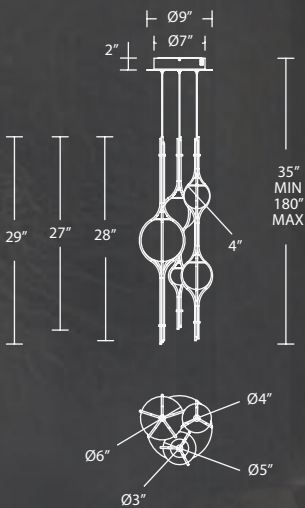

Sculptural Light. With its cascading composition of glowing orbs and a lustrous vintage brass finished frame, the Skyla Pendant captures the eye and commands the room. Five opal glass globes, suspended at varying heights within a frame finished in vintage brass, form a dynamic vertical sculpture that brings movement, depth, and dimension to any space. The result is LED lighting that transcends function — an architectural centerpiece that shapes the environment around it.

*See complementary piece on page 78

SYLVESTER

Architectural Form. Timeless Glow. The Sylvester Pendant elevates modern interiors with a perfect balance of geometry, materiality, and light. A precisely engineered frame encloses luminous panels of white jade, casting a soft, even glow that transforms everyday spaces into curated environments. Its square canopy adds architectural clarity to its form.

- Natural white jade stone features unique veining and color variation
- Driver concealed within the canopy
- Square shaped canopy
- Slope ceiling adaptable. Hang straight swivel

EXTERIOR CEILINGS

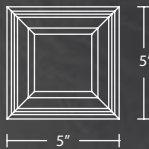

KUBE

Simplicity makes the boldest statement. Kube’s minimalist design features a clean, geometric form that blends seamlessly with modern facades. This flush-mounted ceiling light delivers soft, even illumination through its diffuser, eliminating harsh shadows while enhancing visual comfort. Available in a square silhouette and sleek contemporary finishes, Kube integrates selectable color temperature to customize the ambiance from warm and inviting to crisp and vibrant.

FM-W62204

FM-W62205

- Built in color temperature adjustability. Switch from 3000K/3500K/4000K
- ACLED driverless technology
- Can be mounted on ceiling or wall in all orientations
- Conversion plate included for 4" junction box

Model No.	Size	CCT	CRI	Voltage	Wattage	LED Lumens	Delivered Lumens	Dimming	Rated Life	Finish	L	W	H

EXTERIOR SCONCES

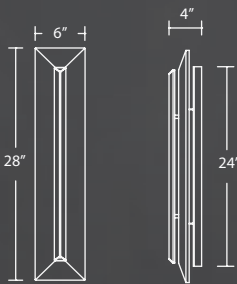

BELL TOWER

Bell Tower offers a bold and architectural statement for sophisticated exterior. Each outdoor sconce features a beautifully organic panel of either basalt or travertine, chosen for its innate beauty and textured depth. This natural stone is dramatically backlit by 4CCT LEDs, creating a stunning luminous column that elevates any facade.

WSW218620

WSW218628

- Ambient and backlit illumination
- Natural stone has slight variations in color and texture in each crafted piece
- Driver concealed within the canopy
- Can be mounted on wall in all orientations
- Built in color temperature adjustability. Switch from 2700K/3000K/3500K/4000K

Model No.	Size	CCT	CRI	Voltage	Wattage	LED Lumens	Delivered Lumens	Dimming	Rated Life	Finish	L	W	H

MODERN FORMS® SMART FANS

Advanced Smart Fan Technology: Modern Forms combines luxury and innovation, offering smart ceiling fans with intelligent controls. These fans integrate with major smart home systems. Features include voice commands and automated schedules which help reduce heating and cooling cost year round.

STRENGTH MEETS SOPHISTICATION

INDOORS OR OUT

Crafted with precision, our wet-rated Smart Fans blend the timeless strength of die-cast aluminum and marine-grade stainless steel into a seamless design that elevates any space — inside or out. Engineered for durability, styled for desire — this is performance you can fall in love with.

EXPANDED CONTROL

- Bluetooth and Wi-Fi based remotes & wall stations
- App based control for automations, scenes and expanded system features
- Multi-fan grouping
- Breeze Mode to mimic nature
- Tunable white available in Elite Series models
- Integration with home automation systems and voice control

ELEVATED MATERIALS. EVOLVED DESIGN

- New uplight & downlight
- Aerodynamic blade profiles
- Wrapped wood accents
- Natural Spanish Alabaster, ripple injection-molded acrylic & reclaimed K5 crystal diffusers
- Patent-pending fan stabilizer accessory

WAC GROUP

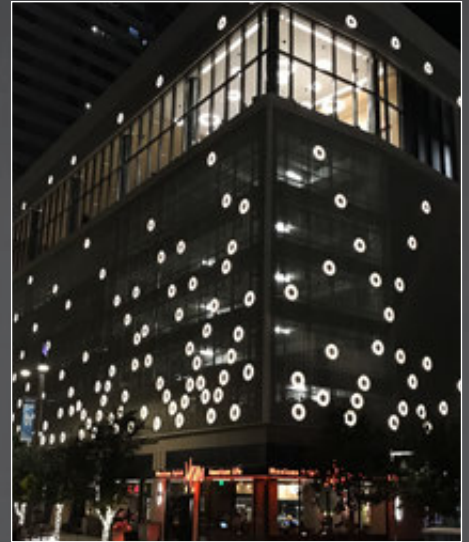

CUSTOM LIGHTING FOR VISIONARY DESIGNS

From refined modifications to fully bespoke creations, WAC Group empowers designers to craft statement lighting that elevates every space.

BRING YOUR BOLDEST IDEAS TO LIFE.

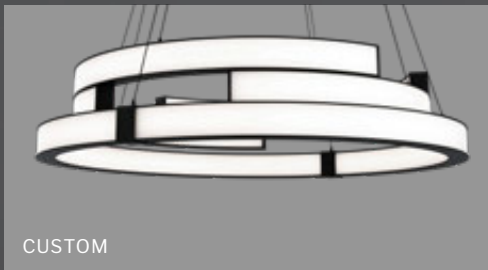

WHY CUSTOM

Custom solutions offer true distinction by matching proportions, finishes, materials, and sculptural forms precisely to your project.

PARTNER WITH US. CREATE SOMETHING EXTRAORDINARY.

From modifications to fully custom designs, we help craft lighting experiences that define luxury. With advanced manufacturing and in-house UL/ETL labs, WAC Group delivers uncompromising quality from design to installation.

CUSTOM

STANDARD

ORIGINAL CUSTOM LIGHTING

When projects call for the exceptional, we design original luminaires with unique forms, materials, and integrated architectural elements, developed collaboratively and with a focus on performance and beauty.

MODIFYING EXISTING DESIGNS

Tailor one of our fixtures to fit your vision: adjust scale, select custom finishes, fine-tune color temperature, boost output, or adapt wiring for control systems. Small changes create the perfect solution.
