

GENERATION LIGHTING

ILLUMINATED  
MIRRORS

MERA 72" x 36"

Our illuminated mirrors combine style and functionality to elevate bathrooms, dressing areas, and more. With clean lines and versatile sizing, they complement a wide range of interiors. Each mirror features dimmable lighting, and select models offer adjustable color temperature, defogging technology, and intuitive touch controls for a refined user experience. Whether for new builds, multi-family projects, renovations, or remodels, these mirrors embody a harmonious blend of innovation, practicality, and enduring design. Discover Generation Lighting's commitment to quality and value, where innovation meets illumination.

MERA 30" x 36"

## What Sets Our Illuminated Mirrors Apart

### Range of Sizes

A variety of shapes and dimensions to suit bathrooms, dressing areas, and powder rooms of any size.

### High Quality

Crafted with premium materials for lasting durability, reliable performance, and a polished, modern look.

### Price Point

Exceptional value with designer style and smart features—ideal for new builds, multi-family projects, remodels, and upgrades.

### Color Temperature

Selectable light tones—from warm to cool—ensure optimal clarity for grooming and ambiance.

### Defogging Technology

Built-in defogger keeps mirrors clear and functional, even in steamy bathroom conditions.

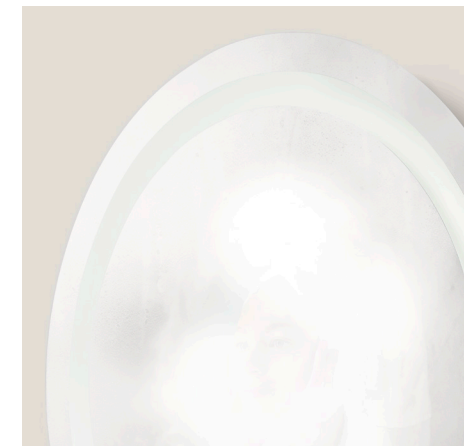

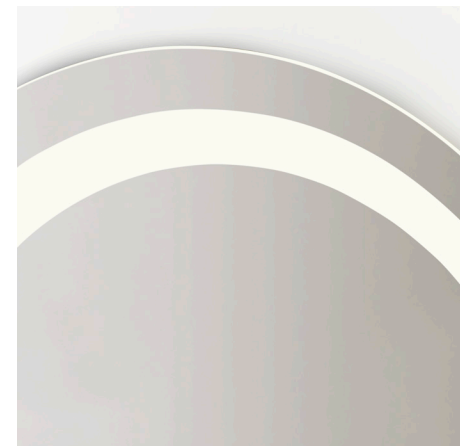

### Touch Controls

Sleek, intuitive touch controls for effortless on/off, dimming, defogging, and temperature adjustments.

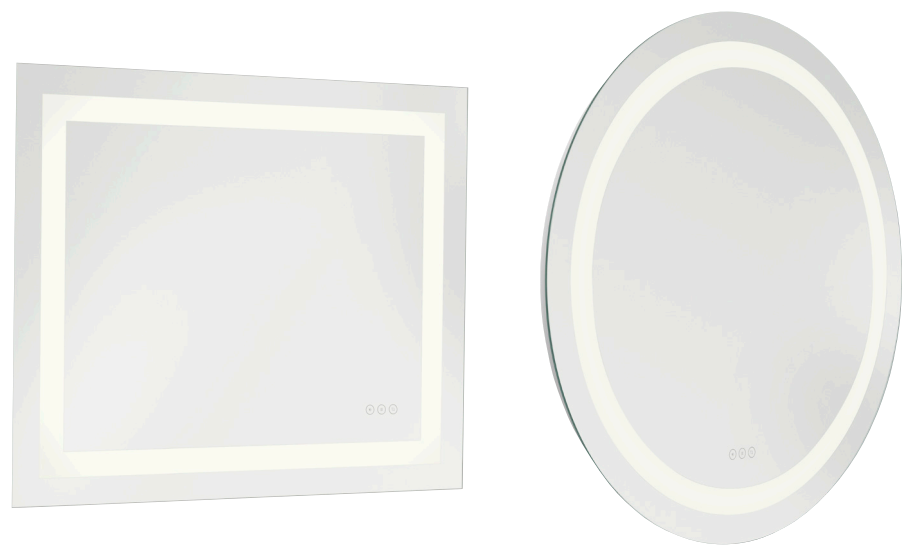

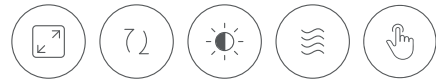

### Dimmable Lighting

Customizable brightness to set the mood or provide perfect task lighting, day or night.

# MERA

Mera mirrors feature a bold frame-within-a-frame design. Discrete buttons let you customize the LED including dimming, selectable color temperature, and defogging.

# LUSTRO

With its frameless, clean aesthetic, the Lustro series is a great value. The Lustro is visually anchored by its simple vertical lines. A wall switch controls the LED giving optimal illumination for makeup application or shaving. When your grooming is done, dim your Lustro for ambient light.
