

CO-CA Lighting

2024

PRESENTA

Una colección única de luminarias decorativas de inspiración industrial con un diseño que trasciende en el tiempo y domina el espacio; con el estilo auténtico que caracteriza a Co-Ca Lighting, que fusiona conceptos como el industrial y el minimalismo contemporáneo; haciendo de nuestras lámparas con sus variantes, colores y materiales la pieza perfecta para acompañar tu proyecto arquitectónico.

Todos nuestros modelos son diseñados por el LDI. Jesús Contreras y llevados a fabricación fusionando las mejores técnicas artesanales y de producción moderna, hacemos uso de diversos materiales que definen cada colección de nuestro catálogo, tales como **Solid** fabricadas en lámina de acero, cobre o latón; **Wire** hechas con varilla de acero que permite apreciar la belleza del foco a través de sus claros; **Vitro** fabricadas en vidrio traslúcido con un bello acabado satinado tipo mármol y por último **Natura** hechas de acero y tejidas en junco.

A modern dining set is displayed against a textured, light blue-grey wall. The set includes a round table with a wooden top made of horizontal planks and a black metal frame with thin, tapered legs. Two matching stools with wooden tops and black metal frames are positioned on either side of the table. A large, black, dome-shaped pendant lamp hangs from the ceiling, casting a warm glow. On the table, a small vase holds a bouquet of blue and white flowers. The floor is made of dark, weathered wooden planks.

A blue desk lamp with a curved neck and a flat base sits on a wide wooden windowsill. The window looks out onto a cityscape featuring a prominent skyscraper, likely the Freedom Tower, under a cloudy sky. In the foreground, a corrugated metal fence runs across the view. The interior has light-colored wood paneling around the window and a wooden floor.
